Hey, how did you hear about us? _____

Tanning Rate: We charge a flat rate of \$130 per hide. No taxes, no surcharges. We will contact you for payment when the hides are done. Turnaround time is usually 1-3 months.

Cost Efficient Shipping: Dry skins in shade until just pliable and roll or fold up tight. Don't use a larger box than necessary. Keep each box under 50 pounds. If over 20 pounds, Fed Ex and UPS are usually cheaper. If under 20 pounds and shipping from the west coast, USPS can be a good option.

If you have a large quantity of hides it may make more sense to ship a pallet, or in an IBC tote, via truck. Feel free to email us at customerservice@braintan.com or call us at 541-592-3778 for help.
