Hey, how did you hear about us? _____

Tanning Rate: We charge a flat rate of \$180 per deer hide (*quantity discount: 10 or more = \$130/hide*). No taxes, no surcharges. We will contact you for payment when the hides are done. Turnaround time is usually 2-3 months.

Cost Efficient Shipping: Dry skins in shade until just pliable and roll or fold up tight. Don't use a larger box than necessary. Keep each box under 50 pounds. If over 20 pounds, Fed Ex and UPS are usually cheaper. If under 20 pounds and shipping from the west coast, USPS can be a good option.

Drop-Off / Pick-Up Appointments: Contact us first — our availability and hours are subject to change. To schedule, please email us at customerservice@braintan.com or call (541) 592-3778.
